

Taking place on December 26th, Junkanoo is a colourful street festival in the Bahamas where people drum and dance through the night! Here's how you can join in the fun and make a vibrant Junkanoo headpiece.

YOU WILL NEED

Feathers, pencils, paint or any bright and sparkly accessories to decorate!

STEP 1

Cut out a long, thin piece of colourful card, the length of which should fit around the circumference of your head. Secure the two ends with PVA glue.

STEP 2

Cut out a second long, thin piece of the same colourful card. This time the length should fit over your head, from one ear to the other. Secure both ends to the headband.

STEP 3

Cut a bigger piece of a different coloured card for the main headpiece in an arch-shape. Bend the bottom edge and slide it underneath the top of the headband. Secure with PVA glue.

STEP 4

Line the main display of the headpiece with brightly coloured feathers. Then it's time to go wild! Colour and decorate, adding anything from beads and buttons to jewels and sequins and stick them on with PVA glue.

Now wear your funky headpiece with pride and celebrate Junkanoo!
